| <ul style="list-style-type: none"> <li>The final day of my internship was dedicated to deploying the website to a live server and officially launching it. The website is now accessible to the public, and users can start creating accounts and sharing their blog posts.</li> <li>My internship has been a fulfilling experience, and I'm proud of the progress made in creating a fully functional blog website using Bootstrap and Python Flask. I've learned valuable skills in web development and project management, and I'm excited to see the website grow and become a valuable resource for users. I'm grateful for the guidance and support of my mentor throughout this journey.</li> </ul> |         |                   |                              |                 |  |
